

Make Plans Now to Complete Your Organizational Communication Program in Four Years

Organizational Communication Students: Plan your program of study so that you graduate in four years. A sample program of study is below; taking summer classes could accelerate your progress. Your own program of study may vary, depending on course availability and your eligibility based on a number of factors (which includes prerequisites and grades). We recommend that you take 15-hours of course work every semester to put you on track to graduate in four years. One semester of this four-year plan will require 18 hours. As a Communication major, you must make a C or higher to successfully complete SOCM courses.

Organizational Communication and General Education checklists are available on the SOCM web site <http://socm.hss.kennesaw.edu/programs/bsc#oc>. Minors (e.g. Management) and certificate programs (e.g. Alternative Dispute Resolution) in many areas are available. Your classes in a minor or certificate program can fill your Related Studies area; if you don't choose to take a minor, you still need to take 12 hours of Related Studies courses.
